

AMENDMENTS TO THE SPECIFICATION

The office action indicates that the specification is objected to by the Examiner.

Applicant respectfully submits that the office action does not detail the objection with specificity. Applicant respectfully requests reconsideration of the objection or further explanation as to the basis with which the specification objection is made.

In an effort to expedite prosecution of the application, pursuant to 37 C.F.R. § 1.121, Applicant respectfully submits a marked-up substitute specification including paragraph numbers and an Abstract. Additionally, Applicant submits herewith a "clean" version of the substitute specification. Applicant submits that the substitution specification introduces no new matter. Entry of the substitute specification is respectfully requested.
